bad taste is a steady earning cult classic that launched the career of the world's highest paid filmmaker Peter Jackson. This book recounts the story of the film's unconventional homemade production and its unexpected success at the Cannes Film Festival.

The western, one of Hollywood's great film genres, has surprisingly enjoyed a revival recently in Asia and in other parts of the world whilst at the same time declining in America. Although the western is often seen as an example of American cultural dominance, this book challenges this view. It considers the western from an Asian perspective, exploring why the rise of Asian westerns has come about and examining how its aesthetics styles

and politics have evolved as a result it analyses specific asian westerns as well as westerns made elsewhere including in australia europe and hollywood to demonstrate how these employ asian philosophical and mythical ideas and value systems the book concludes that the western is a genre which is truly global and not one that that is purely intrinsic to america
